### Dates and Quantity Needed

**Start Date:**

**End Date:**

**Total Days:**

#### RESERVED PARKING Meter Bags

\_\_\_\_\_ Qty \_\_\_\_\_ Days On-street @ \$15.00 per bag/per day (plus tax) \_\_\_\_\_

5% Tax \_\_\_\_\_

**Total** \_\_\_\_\_

#### NO PARKING Meter Bags

\_\_\_\_\_ Qty \_\_\_\_\_ Days On-street @ \$15.00 per bag/per day (plus tax) \_\_\_\_\_

5% Tax \_\_\_\_\_

**Total** \_\_\_\_\_

Meter bags can be placed on the parking meters the morning they are needed. However, you cannot place a meter bag over a parking meter that already has a car parked in that space - you must wait for the car to leave before placing the meter bag over the parking meter.

It is your responsibility to remove the meter bags on the end date. We suggest placing a clear plastic bag over the meter bag during inclement weather.
