

How to activate with Centivo

Activating is when you choose your primary care doctor. Follow these simple steps before you need care.

1

Create your account in the Centivo app or at my.centivo.com.

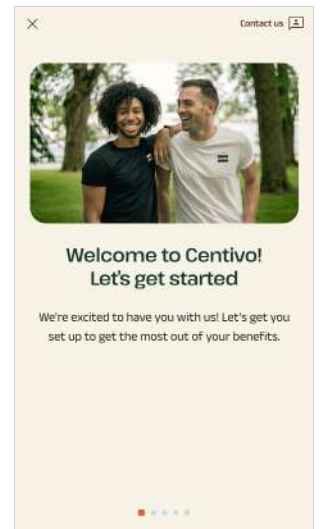

If you don't have an account yet, you'll need to select **First time? Create an account**. Be sure to have your Centivo member ID card handy, you'll need it to get started. If you don't have your Centivo member ID, you can use your employer's group ID number.

The image shows the Centivo login screen. At the top right is a 'Contact us' link. The main heading is 'CENTIVO.' in orange. Below it are two input fields: 'Username' and 'Password'. There is a 'Remember my username' checkbox. A large orange 'Log in' button is centered. Below the button, there are icons for fingerprint and face recognition, with the text 'Set up your fingerprint or face recognition to verify your identity'. At the bottom, there is a link 'First time? Create an account ->' and two smaller links: 'Forgot username?' and 'Forgot password?'.

2

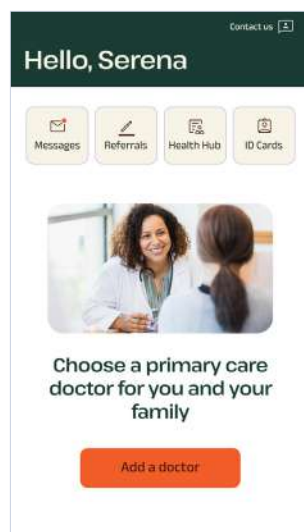

The first time you log in, you'll see basic plan information. Read and follow the prompts to continue.

The image shows a 'Welcome to Centivo! Let's get started' screen. It features a photo of a man and a woman smiling. Below the photo, the text reads 'Welcome to Centivo! Let's get started' and 'We're excited to have you with us! Let's get you set up to get the most out of your benefits.' At the bottom right, there is a 'Contact us' link and a progress indicator with five dots, the first of which is filled.

3

Select **Add a doctor** to choose a primary care doctor for yourself and your covered family members.

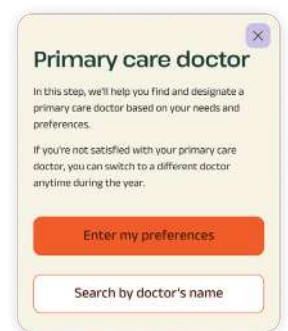

The image shows a 'Hello, Serena' screen. At the top right is a 'Contact us' link. Below the greeting are four icons: Messages, Referrals, Health Hub, and ID Cards. A photo of a doctor talking to a patient is shown. Below the photo, the text reads 'Choose a primary care doctor for you and your family'. At the bottom, there is an orange 'Add a doctor' button.

4

If you already have a primary care doctor, select **Search by doctor's name** and follow the prompts to finish the process.

If your doctor is not accepting new patients, contact us to complete the process.

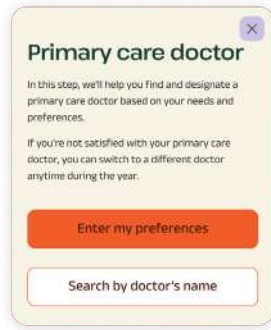

The image shows a 'Primary care doctor' selection screen. It has a close button (X) in the top right. The text reads 'In this step, we'll help you find and designate a primary care doctor based on your needs and preferences.' Below that, it says 'If you're not satisfied with your primary care doctor, you can switch to a different doctor anytime during the year.' There are two buttons: an orange 'Enter my preferences' button and a white 'Search by doctor's name' button.

5

If you don't already have a primary care doctor, select **Enter my preferences** to find a PCP.

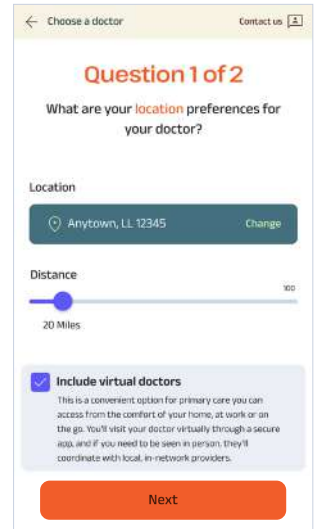

Did you know you can choose Centivo Care – a convenient alternative to in-person primary care? Learn more at centivocare.com.

6

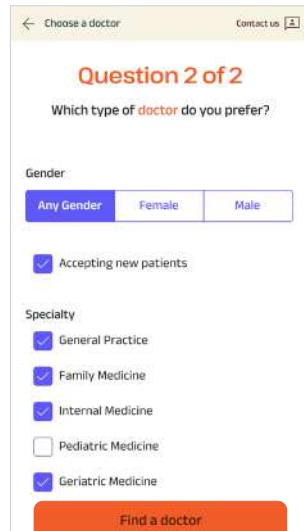

To search for a doctor near you, enter the ZIP code and use the slider to show distance from the ZIP code you're willing to travel.

To view all primary care options, make sure the box next to **Include virtual doctors** is checked, then select **Next**.

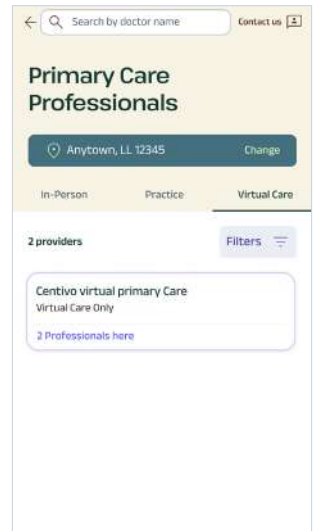

7

If you'd like, you can narrow your search by primary care specialty, whether the provider is accepting new patients or gender. Then select **Find a doctor**.

8

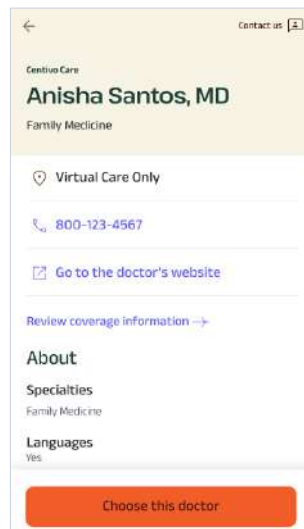

A list of doctors and practices will appear based on your search. You can search by virtual or in-person care or by practice name. **Select the doctor or practice name** to learn more, including their office location, board certification and if they're accepting new patients.

9

Once you find a doctor who meets your needs, select **Choose this doctor**.

Remember: You can change your primary care doctor at any time.

10

If you have family members covered on your plan, select **Continue**.

18 and older:

You can activate for family members 18 or older or they can create their own account and activate. They can also choose to activate with Centivo Virtual Primary Care.

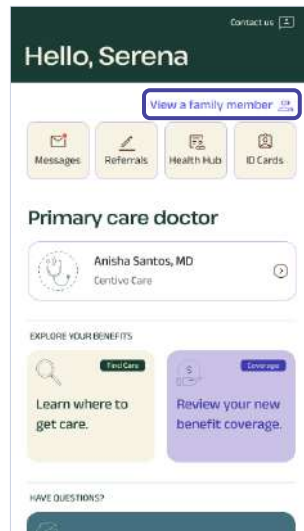

Remember: If you or a family member goes to the doctor without activating, you'll pay more for that care.

Congratulations — you're activated!

The next time you log in to the Centivo app or portal, you'll see your primary care doctor on the **Home** screen (the first screen you see when you log in).

If you have covered family members, you can select **View as** to confirm their primary care doctors have been selected.
